Chiller Delivery Options:

All deliveries must be planned 15 days in advance of delivery date.

Option 1* - Standard - (Kerbside delivery) Included in quotation. Delivery direct to site on truck with sliding roof/side curtains, flatbed for unloading by customer during normal working hours, Monday to Friday. In this case offloading from the delivery vehicle and positioning is the responsibility of the purchaser.

Option 2 - Special delivery.** For special delivery requirements, including out of normal hours, weekend deliveries and timed deliveries during working hours directly to site. Individual quotations are provided on a project-by-project basis. These are alternative delivery instructions to standard arrangements and made in advance for Panasonic to quote any additional charges for HIAB, tail-lift vehicles, weekend, timed, out of hours with dedicated transport. Positioning of the chiller is still the responsibility of the purchaser.
